“Will I Ever Wear A Bikini Again?”

Are you turning 40, 50, 60+?
Preparing to send your kids off to college?
Did you leave your keys in the freezer?
It's NOT your mother's midlife!

Marilyn Kentz (formerly of the NBC's "The Mommies" and ABC talk show "Caryl & Marilyn") has a fun evening of comedy, songs, recollections and observations for women whose bikini days are long gone. Join Marilyn and her song and dance crew, "The Boomerettes", for a fun evening of entertainment benefitting Leukemia & Lymphoma.

We make hot flashes cool!
