

What
would it have been like

was imaged

female?

"Cakes for the Queen of Heaven" is a woman-honoring adult RE curriculum by Rev.
Shirley Ranck. It examines pre-Judeo Christian cultures that may have worshiped the
female as divine. The concepts of equality and reverence for the female in a religious
setting are eye-opening to many participants.

More than Goddess 101, this workshop series examines important elements of today's
women's lives; personal, interpersonal and societal. It unpacks how our culture has
been influenced by Judeo Christian values. The primary question raised is: How
would your life have been different if, when growing up, the divine had been imaged
as female? Participants are encouraged to share their own experiences and beliefs,
creating trust and strong bonds of friendship.
